STEP

Intake: An initial Intake Form begins the Recognition Payment Process. Upon completion of the Intake Form you will be issued a reference number. You will need this number to reference your file throughout the application process.

03
STEP

Application Review and Verification: Once the Intake Form has been received and a reference number issued, requests for additional information and/or documentation may be required for further consideration and verification. Please ensure all supporting documentation requested is provided when submitting your Intake Form.

04
STEP

Signing Documents: After the application has been reviewed and verified you will be requested to complete and return the required processing forms and authorizations necessary to receive your Notice of Decision.

05
STEP

Notice of Decision: Upon completion of steps 1 through 4, you will receive written notification of the outcome of your application. Should your application be declined, you will receive written confirmation of the decision along with information on the appeal process. Note: The appeal process is subject to COVID-19 health and safety protocols and may have to be amended as circumstances warrant. Details of the appeal process will be provided with the Notice of Decision.

Should your application be approved you will receive written confirmation and further information on the presentation process (if applicable). Note: The presentation of the Recognition Payment is subject to COVID-19 health and safety protocols and the process may have to be amended as circumstances warrant. Details of the presentation process will be provided with the Notice of Decision.

NOTE: There may be additional information or supporting documents requested at any stage of the application process. Timely responses to requests for additional information and/or documentation will impact the application and approval process. Please provide as much information and documentation as possible with the initial Intake Form to avoid delays. Applications that do not meet the requirements identified and/or provide additional information/documentation requested will not receive further consideration until all requirements and requests have been met.
